REFUND REQUEST

Refund Section, Office of Finance
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22033-1450

Sir:

This request for refund of \$425 is made for refund of the excess claims fees and independent claims now removed by the Preliminary Amendment.

The Preliminary Amendment, being filed concurrently, has 42 total claims and 2 independent claims.

The application as filed on December 9, 2004, contained 42 total claims and 2 independent claims. However, the published application contained 55 claims and 4 independent claims. The Patent Office calculated the fees based on the published claims instead of the claims as filed.

Thus, there is overpayment for 13 total claims (13 x \$25 = \$325) and 1 independent claim (1 x \$100 = \$100) as a small entity. **Applicant requests a refund of \$425 for the claims as filed and that are removed by the Preliminary Amendment being filed concurrently.**

Please refund the excess money to Deposit Account No. 14-0112.

Please direct all inquiries regarding this matter to the undersigned at the number listed below.

Respectfully submitted,
NATH & ASSOCIATES PLLC
